March 2001

Well, well. Just as our fishing results were sinking to an all time low, along comes 'foot and mouth' to save us from further dismay. Or, just as the season was drawing to a close, along comes this devastating disease to rob us of the chance to catch that elusive 'netful'. Depends on your point of view. But whichever way you look at it, fishing is pretty much off the menu for at least the next 2 months. What are we to do with our time now? If you can't go f..hing, you may as well take up w..king on a Sunday instead. It can be far more rewarding and almost as satisfying, I'm told. (That's... working by the way).

Legion Pairs Open

As you all know, we had to cancel this popular event due to the F&M outbreak. However, this has now been re-scheduled for **July 1st**, unless of course there's an outbreak of rabies, swine fever or some form of natural disaster.

Forthcoming Match April 22nd

Avalon Fisheries has been booked for the next match but again, due to the current situation, is subject to confirmation

Match venue changes

Please make a note of the following venue changes: July 8th, Pawlett Ponds has been changed to Sedgemoor Drain. October 14th, Limply Stoke has been changed to 'Churches' (Bathampton water)

Presentation Evening (Note new date)

Forget about everything, throw caution to the wind, loosen up those vocal chords and make sure you're available on **Friday May 18th**. If last year is anything to go by this should be a night to remember. It's karaoke night at the Kingswood Legion. Bring yourself, your friends and family and have a good time. You don't have to sing if you don't want to but it's fun listening to those that do. Don't miss it! Oh! And it's our club presentation evening also, so all trophy winners please make every effort to attend.

Coach Outing Saturday August 18th

This year our coach outing will be to Pallington Lakes. For those that are too young to remember, we were there a few years ago. It's now under new management and apparently there are now fish in the lake. That should make the visit worthwhile. Lucky guests will be whizzed off to the English Riviera, namely Weymouth, where they can frolic in the sand, sea and sun. (Most are probably too old for the other 'S') I can't think of a better place for guests to spend the day. Book your place now or at least let Brian know in good time if you intend to go.

Have your Lottery numbers come up?

Y'know, some people are happy. Some people are lucky. Some people are happy go lucky. One person in particular is very happy that he was lucky. Yes Alan, I'm talking about YOU. £1.3 million could buy a lot of raffle tickets! I'm very happy for you Alan and so are the rest of the club (also a tad envious). Not sure if we'll be seeing you again though, now that you're in the 'super wealth' bracket. Can't imagine you sitting on the bank, watching your rod tip whilst being served iced champagne by a couple of scantily clad ladies, somehow. Best wishes Alan, from us mere mortals.
